January 15, 2014

Dear Parents:

The Forest Area School District school board has approved a 1:1 computing initiative starting the second semester of the 2013-2014 school year. The 1:1 initiative will provide students in grades 9 - 11 with their own Google Chromebook to be used both on and off campus for the completion of school work.

We will be offering a Chromebook Protection Plan for \$25/year. Details of the plan are attached. The protection plan enrollment form **MUST** be returned with a "Yes" or "No" before any student can receive their Chromebook.

We will also be holding Community Chromebook Information meetings on the following dates:

East Forest: January 21, 2014 -- 6:00PM

West Forest: January 23, 2014 -- 6:00PM

Please join us for a demonstration of the Chromebook, information about their instructional uses, and Q&A. Hope to see you there!

Sincerely,

A handwritten signature in black ink, appearing to read "Debra Arner". The signature is fluid and cursive, with the first name being more prominent.

Debra Arner, East Forest Principal

A handwritten signature in black ink, appearing to read "Craig Kasunic". The signature is cursive and somewhat stylized.

Craig Kasunic, West Forest Principal

A handwritten signature in black ink, appearing to read "Elisha Pospisil". The signature is cursive and somewhat stylized.

Elisha Pospisil, Technology Coordinator

Forest Area School District Chromebook Protection Plan

A protection plan for the Chromebook is available through Forest Area School District. The cost of the protection plan is \$25 annually. Checks must be made payable to Forest Area School District and a separate check must be written for each student. The protection plan covers one Chromebook per student per school year for any costs outside the manufacturer's warranty. Purchasing the protection plan is not required, but students are responsible for all repair/replacement costs if their Chromebooks are not covered.

Students will be responsible for damages to their Chromebooks including, but not limited to: broken screens, cracked plastic pieces, inoperability, etc. Depending on the damage and whether or not the damage was accidental or due to a malfunction or maintenance issue, the Forest Area School District Protection Plan would be used to determine the cost of the repairs. In the case of intentional damage and/or neglect, the student will pay the full repair or replacement cost of the device.

Refer to the following coverage table for repair costs with and without the optional protection plan.

Service Request	With Protection Plan	Without Protection Plan
Accidental Damage (total loss)	\$0	\$249.00*
Stolen Chromebook (Police Report Required)	\$0	\$249.00*
Chromebook Screen	\$0	Chromebook Screen - \$150.00*
Power Adapter	\$49.99*	\$49.99*
Chromebook Cover	\$11.00*	\$11.00*

** All prices subject to change.*

Service Requests

Requests for protection plan repairs may be submitted through the building office. In cases of theft or loss, students or parents must file the appropriate police or fire report and bring a copy of the report to the office before a Chromebook can be replaced with the School District Protection Plan.

Forest Area School District

Chromebook Protection Plan Enrollment Form

- Yes, I would like to enroll in Forest Area School District's Chromebook Protection Plan for the 2013-14 school year for the low price of \$25.00 per student. I have read and understand the terms and conditions of the Chromebook Protection Plan.
- No, thank you. I have read and understand the terms and conditions of the Chromebook Protection Plan. I understand that by not participating I am agreeing to pay for any damage to District equipment as outlined in the Acceptable Use Policy.
