

## Forest Area School District Chromebook Protection Plan

A protection plan for the Chromebook is available through Forest Area School District. The cost of the protection plan is \$25 annually. Checks must be made payable to Forest Area School District and a separate check must be written for each student. The protection plan covers one Chromebook per student per school year for any costs outside the manufacturer's warranty. Purchasing the protection plan is not required, but students are responsible for all repair/replacement costs if their Chromebooks are not covered.

Students will be responsible for damages to their Chromebooks including, but not limited to: broken screens, cracked plastic pieces, inoperability, etc. Depending on the damage and whether or not the damage was accidental or due to a malfunction or maintenance issue, the Forest Area School District Protection Plan would be used to determine the cost of the repairs.

It is the responsibility of each student to care for his / her Chromebook and to maintain it as well as possible. Defacing the Chromebooks will result in repairs costs to replace whatever parts of the Chromebook are defaced. In the case of intentional damage and/or neglect, the student will pay the full repair or replacement cost of the device.

Examples of defacing/intentional damage include but are not limited to...

- Writing on the case, front, back, bottom or top
- Removing keys
- Writing on keys
- Painting on or otherwise discoloring any part of the case
- Breaking the hinge covers or screen surround
- Breaking the corners of the case through harsh treatment of the Chromebook

No student or person should at any time dismantle the Chromebook case or attempt to perform physical repairs of any kind to the Chromebook. If the case is opened the Chromebook will be replaced at the parents' cost.

Please keep in mind that Chromebooks are issued to another student when your child is done with it.

## Forest Area School District

### Chromebook Protection Plan 2016-2017 Enrollment Form

- Yes, I would like to enroll in Forest Area School District's Chromebook Protection Plan for the 2016-2017 school year for the low price of \$25.00 per student. I have read and understand the terms and conditions of the Chromebook Protection Plan.
- No, thank you. I have read and understand the terms and conditions of the Chromebook Protection Plan. I understand that by not participating I am agreeing to pay for any damage to District equipment as outlined in the Acceptable Use Policy.
