Dear East Forest Families,

Behind every great school is a remarkable community and staff — made up of families and students like you. Being the East Forest Principal has been one of the greatest honors of my career, and no matter where our paths lead next, the memories, connections, and the East Forest family will always be with me.

Thank you for caring so deeply about our students and school. Your support over the years has made East Forest a wonderful place for all of us to work and grow. It has been a privilege to share in your children's lives and to be a part of this special community. I am so grateful for my staff, our community, and our students—I will certainly miss being part of your daily lives. I wish everyone the absolute best in the future.

With gratitude,
